

PARKER

ENGINEERING AND MECHANICAL, INC.

Position: HVAC Mechanic

Parker Engineering and Mechanical, Inc. is a leading multi-family and light commercial HVAC installation company in the northeast Atlanta area. We are seeking self-motivated and dedicated individuals for Mechanic positions.

We offer competitive wages and comprehensive benefits.

Job Tasks

- Coordinate and communicate with other construction trades.
- Attend and coordinate meetings with the site crew and General Contractor.
- Coordinate and monitor crew performance; ensure that they are working safely in accordance with our safety policy.
- HVAC installation including sheet metal, duct board, and flexible duct work.

Requirements

- Comprehension of HVAC equipment operation, installation and troubleshooting.
- Ability to read and understand blueprints and comply with building codes and inspections.
- Must be able to pass a pre-employment background check and drug screen.
- Valid driver's license with clear MVR (motor vehicle report/driving history report).
- Good written and verbal communication skills. Bilingual (English/Spanish) preferred.
